

## § 389.23

### **§ 389.23 Consideration of comments received.**

All timely comments are considered before final action is taken on a rule making proposal. Late filed comments may be considered as far as practicable.

### **§ 389.25 Additional rule making proceedings.**

The Administrator may initiate any further rule making proceedings that he/she finds necessary or desirable. For example, interested persons may be invited to make oral arguments, to participate in conferences between the Administrator or his/her representative at which minutes of the conference are kept, to appear at informal hearings presided over by officials designated by the Administrator at which a transcript or minutes are kept, or participate in any other proceeding to assure informed administrative action and to protect the public interest.

Any rule issued in a case in which an informal hearing is held is not necessarily based exclusively on the record of the hearing.

(b) The Administrator designates a representative to conduct any hearing held under this part. The Chief Counsel of the Federal Highway Administration designates a member of his/her staff to serve as legal officer at the hearing.

(c) *Denials.* If the Administrator determines that the petition does not justify rule making, he/she denies the petition.

(d) *Notification.* Whenever the Administrator determines that a petition should be granted or denied, the Office of the Chief Counsel prepares a notice of that grant or denial for issuance to the petitioner, and the Administrator issues it to the petitioner.
